Description

With a compact 36-inch profile, the Wall Mounted Metal Bottle Storage brings modern, label-forward design to any space. Ideal for small areas or as part of a larger installation, available in Matte Black or Brushed Nickel and are built from durable high-quality steel.

The three-foot height allows it to fit into tighter spots without sacrificing style or storage. Designed for flexibility, it can be stacked or trimmed to suit custom wine wall configurations, whether for residential or commercial applications.
